

# Vehicle Detail Report

## Geely Preface 2026 2.0T Oriental Yao full moon version

### Basic Information

|                    |            |
|--------------------|------------|
| Brand              | Geely      |
| Mileage            | 7,000 km   |
| Color              | Dark gray  |
| First Registration | 2025-09-01 |
| Transfer Count     | 0          |

### Vehicle Images

## Vehicle Condition

1. Original metal body panels with factory paint.

## Configuration Information

### Model Information

|             |                                                         |
|-------------|---------------------------------------------------------|
| Model Name  | Geely Preface 2026 Oriental Yao 2.0TD full moon version |
| Launch Date | 2025.09                                                 |

### Basic parameters

|                                          |                           |
|------------------------------------------|---------------------------|
| Vehicle Class                            | compact car               |
| Energy Type                              | Gasoline                  |
| Maximum Power (kW)                       | 200                       |
| Maximum Torque (N·m)                     | 400                       |
| Transmission                             | 8-gear manual integration |
| Body Type                                | Sedan                     |
| Engine                                   | 2.0T 272 horsepower L4    |
| Dimensions (L×W×H) (mm)                  | 4825*1869*1469            |
| Official 0-100 km/h Acceleration (s)     | -                         |
| Top Speed (km/h)                         | 215                       |
| Curb Weight (kg)                         | 1550                      |
| Maximum Gross Weight (kg)                | 2050                      |
| WLTP Combined Fuel Consumption (L/100km) | 7.15                      |

### engine

|                      |               |
|----------------------|---------------|
| Engine Model         | JLH-4G20TDH   |
| Displacement (mL)    | 1969          |
| Displacement (L)     | 2.0           |
| Induction Type       | Turbocharging |
| Cylinder Arrangement | L             |

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Number of Cylinders     | 4                |
| Valves per Cylinder     | 4                |
| Valve Train             | DOHC             |
| Maximum Power (PS)      | 272              |
| Max Power Speed (rpm)   | -                |
| Max Torque Speed (rpm)  | -                |
| Maximum net power (kW)  | 195              |
| Fuel Grade              | 95.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Horizontal       |

Screen/System

|                                     |                                                                               |
|-------------------------------------|-------------------------------------------------------------------------------|
| Central control color screen        | • Touch LCD screen                                                            |
| Infotainment Screen Size            | • 14.6 inches                                                                 |
| Bluetooth/In-car Phone              | •                                                                             |
| Smartphone Integration/ Mirroring   | • Support HUAWEI HiCar;• Support Carlink;• Support Flyme link                 |
| Voice recognition control system    | • Multimedia system; • Navigation; • Telephone; • Air conditioning; • Sunroof |
| Voice wake-up recognition by region | • Dual Zone                                                                   |
| In-vehicle intelligent system       | •Flyme Auto                                                                   |
| Facial Recognition                  | •                                                                             |
| App Store                           | •                                                                             |
| Central control screen resolution   | •1920x1080                                                                    |
| Voice assistant wake-up word        | • Hello, Geely                                                                |
| Voice wake-up word-free             | •                                                                             |
| Continuous speech recognition       | •                                                                             |
| Car Intelligent Chip                | • Qualcomm Snapdragon 8155                                                    |

Body

Body (continued)

|                        |            |
|------------------------|------------|
| Length (mm)            | 4825       |
| Width (mm)             | 1869       |
| Height (mm)            | 1469       |
| Wheelbase (mm)         | 2800       |
| Front Track (mm)       | 1618       |
| Rear Track (mm)        | 1618       |
| Door Opening Type      | swing door |
| Number of Doors        | 4          |
| Number of Seats        | 5          |
| Fuel Tank Capacity (L) | 50         |
| Trunk volume (L)       | -          |
| Drag Coefficient (Cd)  | -          |
| Approach Angle (°)     | 13         |
| Departure Angle (°)    | 15         |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 8-gear manual integration                    |
| Number of Gears   | 8                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

|                       |                                      |
|-----------------------|--------------------------------------|
| Drive Type            | Front-engine, Front-wheel drive (FF) |
| Front Suspension Type | MacPherson independent suspension    |
| Rear Suspension Type  | Multi-link independent suspension    |
| Power Steering Type   | Electric power assistance            |
| Vehicle structure     | bearing type                         |

Seat Configuration

|                                                         |                                                                                                          |
|---------------------------------------------------------|----------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Leather/suede mix and match                                                                            |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (2-way);• Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment                                                       |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                          |

Seat Configuration (continued)

|                                              |                                                             |
|----------------------------------------------|-------------------------------------------------------------|
| Front seat functions                         | • Heating; • Ventilation; • Headrest speaker (driving only) |
| Electric seat memory function                | • Driving position                                          |
| Front passenger seat rear adjustable buttons | -                                                           |
| Rear seat folding                            | • Proportional down                                         |
| Front/rear center armrest                    | Front •/Rear •                                              |
| Rear cup holder                              | •                                                           |

Active safety

|                                              |                         |
|----------------------------------------------|-------------------------|
| Anti-lock Braking System (ABS)               | •                       |
| Electronic Brakeforce Distribution (EBD/CBC) | •                       |
| Brake Assist System (EBA/BAS/BA)             | •                       |
| Traction Control System (ASR/TCS/TRC)        | •                       |
| Electronic Stability Control (ESC/ESP/DSC)   | •                       |
| Tire Pressure Monitoring System (TPMS)       | • Tire pressure display |
| Seat Belt Reminder                           | • Front row             |
| ISOFIX Child Seat Anchors                    | •                       |
| Lane Departure Warning System (LDWS)         | •                       |
| Autonomous Emergency Braking (AEB)           | •                       |
| Driver Fatigue Detection                     | •                       |
| Forward Collision Warning (FCW)              | •                       |
| Rear Collision Warning                       | •                       |
| Built-in Dashcam                             | ○(USD 68)               |
| Door Opening Warning (DOW)                   | •                       |

Air conditioning/refrigerator

|                                             |                              |
|---------------------------------------------|------------------------------|
| Air conditioning temperature control method | • Automatic air conditioning |
|---------------------------------------------|------------------------------|

Air conditioning/refrigerator (continued)

|                                  |   |
|----------------------------------|---|
| Rear Independent Climate Control | - |
| Rear seat air vents              | • |
| Temperature zone control         | • |
| Car air purifier                 | • |
| In-cabin PM2.5 Filter            | • |
| Negative ion generator           | • |
| Car fragrance device             | • |
| Air quality monitoring           | • |

Passive safety

|                                           |                 |
|-------------------------------------------|-----------------|
| Driver/passenger airbag                   | Main •/Deputy • |
| Front/rear side airbags                   | Front •/Rear-   |
| Front/rear head airbags (curtain airbags) | Front •/Rear •  |

Wheel brake

|                      |                    |
|----------------------|--------------------|
| Front Brake Type     | Ventilation disc   |
| Rear Brake Type      | Disc               |
| Parking brake type   | Electronic Parking |
| Front Tire Size      | 225/45 R18         |
| Rear Tire Size       | 225/45 R18         |
| Spare Tire Size      | Not full-size      |
| Spare tire placement | In the trunk       |

Audio/Interior Lighting

|                           |               |
|---------------------------|---------------|
| Number of speakers        | • 16 speakers |
| Interior ambient lighting | • 256 color   |
| Touch reading light       | •             |

Driving functions

|                                        |                              |
|----------------------------------------|------------------------------|
| Navigation traffic information display | •                            |
| Lane assist                            | •                            |
| Lane Keeping Assist System             | •                            |
| Cruise control system                  | • Full speed adaptive cruise |
| Satellite navigation system            | •                            |
| Driving assistance level               | •L2                          |

Driving functions (continued)

|                                  |                             |
|----------------------------------|-----------------------------|
| Rear Cross Traffic Alert         | •                           |
| Lane centering                   | •                           |
| Road traffic sign recognition    | •                           |
| Map Brand                        | • Gaud                      |
| Remote Parking                   | •                           |
| Driver assistance systems        | • Thousand-Mile Vastness H3 |
| Parking Assist                   | •                           |
| Lane Change Assist               | •                           |
| Automatic Ramp Entry/Exit Assist | •                           |
| Highway sections                 | • Expressway section        |

Exterior lighting

|                              |      |
|------------------------------|------|
| Low beam light source        | •LED |
| High beam light source       | •LED |
| LED daytime running lights   | •    |
| Adaptive high and low beam   | •    |
| Automatic headlights         | •    |
| Height-adjustable headlights | •    |
| Headlight Delay Off          | •    |
| Assisted Driving Light       | •    |

Exterior mirrors

|                          |                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------|
| Exterior mirror function | • Electric adjustment; • Electric folding; • Rearview mirror heating; • Automatic folding when locked |
|--------------------------|-------------------------------------------------------------------------------------------------------|

Appearance/anti-theft

|                                   |                               |
|-----------------------------------|-------------------------------|
| Rim material                      | • Aluminum alloy              |
| Electronic engine immobilizer     | •                             |
| Central locking system in the car | •                             |
| Key Type                          | • Remote key; • Bluetooth key |
| Keyless start system              | •                             |
