Vehicle Condition

1. Driver's seat rails and frame, Signs of removal.

Configuration Information

Model Information

|             |                                       |
|-------------|---------------------------------------|
| Model Name  | BMW 3 Series 2023 325Li M Sports suit |
| Launch Date | 2022.08                               |

Basic parameters

|                                          |                           |
|------------------------------------------|---------------------------|
| Vehicle Class                            | Mid-size car              |
| Energy Type                              | Gasoline                  |
| Maximum Power (kW)                       | 135                       |
| Maximum Torque (N·m)                     | 300                       |
| Transmission                             | 8-gear manual integration |
| Body Type                                | Sedan                     |
| Engine                                   | 2.0L 184 hp L4            |
| Dimensions (L×W×H) (mm)                  | 4838*1827*1454            |
| Official 0-100 km/h Acceleration (s)     | 7.9                       |
| Top Speed (km/h)                         | 233                       |
| Curb Weight (kg)                         | 1601                      |
| Maximum Gross Weight (kg)                | 2055                      |
| WLTP Combined Fuel Consumption (L/100km) | 6.9                       |
| Measured 0-100 km/h Acceleration (s)     | 7.86                      |
| Measured 100-0 km/h Braking Distance (m) | 38.84                     |
| Real-world Fuel Consumption (L/100km)    | 8.8                       |

engine

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Engine Model            | B48B20C          |
| Displacement (mL)       | 1998             |
| Displacement (L)        | 2.0              |
| Induction Type          | Turbocharging    |
| Cylinder Arrangement    | L                |
| Number of Cylinders     | 4                |
| Valves per Cylinder     | 4                |
| Valve Train             | DOHC             |
| Maximum Power (PS)      | 184              |
| Max Power Speed (rpm)   | 5000-6500        |
| Max Torque Speed (rpm)  | 1350-4000        |
| Maximum net power (kW)  | 135              |
| Fuel Grade              | 95.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Longitudinal     |

Screen/System

|                                   |                                                                               |
|-----------------------------------|-------------------------------------------------------------------------------|
| Central control color screen      | • Touch LCD screen                                                            |
| Infotainment Screen Size          | • 14.9 inches                                                                 |
| Bluetooth/In-car Phone            | •                                                                             |
| Smartphone Integration/ Mirroring | • Support CarPlay                                                             |
| Voice recognition control system  | • Multimedia system; • Navigation; • Telephone; • Air conditioning; • Windows |
| In-vehicle intelligent system     | •iDrive                                                                       |

Body

|                  |      |
|------------------|------|
| Length (mm)      | 4838 |
| Width (mm)       | 1827 |
| Height (mm)      | 1454 |
| Wheelbase (mm)   | 2961 |
| Front Track (mm) | 1583 |
| Rear Track (mm)  | 1599 |

Body (continued)

|                        |            |
|------------------------|------------|
| Door Opening Type      | swing door |
| Number of Doors        | 4          |
| Number of Seats        | 5          |
| Fuel Tank Capacity (L) | 59         |
| Trunk volume (L)       | -          |
| Drag Coefficient (Cd)  | -          |
| Approach Angle (°)     | 15         |
| Departure Angle (°)    | 18         |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 8-gear manual integration                    |
| Number of Gears   | 8                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

|                       |                                                   |
|-----------------------|---------------------------------------------------|
| Drive Type            | Front-engine, Rear-wheel drive (FR)               |
| Front Suspension Type | Dual-ball-joint MacPherson independent suspension |
| Rear Suspension Type  | Multi-link independent suspension                 |
| Power Steering Type   | Electric power assistance                         |
| Vehicle structure     | bearing type                                      |

Seat Configuration

|                                                         |                                                                                                                                          |
|---------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Imitation leather                                                                                                                      |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Leg rest adjustment; ○ Lumbar support (4-way)(USD 206) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Leg support adjustment                                 |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                                                          |
| Front seat functions                                    | ○ Heating                                                                                                                                |
| Electric seat memory function                           | • Driving position                                                                                                                       |
| Front passenger seat rear adjustable buttons            | -                                                                                                                                        |

Seat Configuration (continued)

|                           |                |
|---------------------------|----------------|
| Front/rear center armrest | Front •/Rear • |
| Rear cup holder           | •              |

Active safety

|                                              |                         |
|----------------------------------------------|-------------------------|
| Anti-lock Braking System (ABS)               | •                       |
| Electronic Brakeforce Distribution (EBD/CBC) | •                       |
| Brake Assist System (EBA/BAS/BA)             | •                       |
| Traction Control System (ASR/TCS/TRC)        | •                       |
| Electronic Stability Control (ESC/ESP/DSC)   | •                       |
| Tire Pressure Monitoring System (TPMS)       | • Tire pressure display |
| Seat Belt Reminder                           | • Front row             |
| ISOFIX Child Seat Anchors                    | •                       |
| Lane Departure Warning System (LDWS)         | ○                       |
| Autonomous Emergency Braking (AEB)           | •                       |
| Driver Fatigue Detection                     | •                       |
| Forward Collision Warning (FCW)              | •                       |
| Emergency Call System (eCall)                | •                       |

Air conditioning/refrigerator

|                                             |                              |
|---------------------------------------------|------------------------------|
| Air conditioning temperature control method | • Automatic air conditioning |
| Rear Independent Climate Control            | •                            |
| Rear seat air vents                         | •                            |
| Temperature zone control                    | •                            |
| Car air purifier                            | -                            |
| In-cabin PM2.5 Filter                       | •                            |

Passive safety

|                         |                 |
|-------------------------|-----------------|
| Driver/passenger airbag | Main •/Deputy • |
| Front/rear side airbags | Front •/Rear-   |

Passive safety (continued)

|                                           |                |
|-------------------------------------------|----------------|
| Front/rear head airbags (curtain airbags) | Front •/Rear • |
| Run-flat tires                            | •              |
| Passive pedestrian protection             | •              |

Wheel brake

|                    |                    |
|--------------------|--------------------|
| Front Brake Type   | Ventilation disc   |
| Rear Brake Type    | Ventilation disc   |
