| Engine Model      | B48B20D |
| Displacement (mL) | 1998    |

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Displacement (L)        | 2.0              |
| Induction Type          | Turbocharging    |
| Cylinder Arrangement    | L                |
| Number of Cylinders     | 4                |
| Valves per Cylinder     | 4                |
| Valve Train             | DOHC             |
| Maximum Power (PS)      | 252              |
| Max Power Speed (rpm)   | 5200-6500        |
| Max Torque Speed (rpm)  | 1450-4800        |
| Maximum net power (kW)  | 185              |
| Fuel Grade              | 95.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Longitudinal     |

Screen/System

|                                   |                                                  |
|-----------------------------------|--------------------------------------------------|
| Central control color screen      | • Touch LCD screen                               |
| Infotainment Screen Size          | • 12.3 inches                                    |
| Bluetooth/In-car Phone            | •                                                |
| Smartphone Integration/ Mirroring | • Apple CarPlay support; • Baidu CarLife support |
| Voice recognition control system  | • Multimedia system; • Navigation; • Telephone   |
| In-vehicle intelligent system     | •iDrive                                          |

Body

|                   |            |
|-------------------|------------|
| Length (mm)       | 4737       |
| Width (mm)        | 1891       |
| Height (mm)       | 1689       |
| Wheelbase (mm)    | 2864       |
| Front Track (mm)  | 1610       |
| Rear Track (mm)   | 1594       |
| Door Opening Type | swing door |
| Number of Doors   | 5          |

Body (continued)

|                        |    |
|------------------------|----|
| Number of Seats        | 5  |
| Fuel Tank Capacity (L) | 65 |
| Trunk volume (L)       | -  |
| Drag Coefficient (Cd)  | -  |
| Approach Angle (°)     | 24 |
| Departure Angle (°)    | 22 |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 8-gear manual integration                    |
| Number of Gears   | 8                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

|                                |                                                   |
|--------------------------------|---------------------------------------------------|
| Drive Type                     | Front-engine, All-wheel drive (F-AWD)             |
| Four-wheel drive               | Timely four-wheel drive                           |
| Central differential structure | Multi-plate clutch                                |
| Front Suspension Type          | Dual-ball-joint MacPherson independent suspension |
| Rear Suspension Type           | Multi-link independent suspension                 |
| Power Steering Type            | Electric power assistance                         |
| Vehicle structure              | bearing type                                      |

Seat Configuration

|                                                         |                                                                                                                                 |
|---------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Imitation leather                                                                                                             |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Leg rest adjustment; • Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Leg support adjustment                        |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                                                 |
| Front seat functions                                    | • Heating                                                                                                                       |
| Electric seat memory function                           | • Driving position                                                                                                              |

Seat Configuration (continued)

|                                              |                       |
