

# Vehicle Detail Report

Jetour T2 2023 2.0TD Four-wheel drive Time travel PRO

## Basic Information

|                    |             |
|--------------------|-------------|
| Brand              | Jetour      |
| Mileage            | 20,000 km   |
| Color              | Silver-gray |
| First Registration | 2024-05-01  |
| Transfer Count     | 0           |

## Vehicle Images

## Vehicle Condition

1. Inner side of left B-pillar, Scratch, Non-accident-related deformation. 2. Driver's seat rails and frame, Signs of removal. 3. Front passenger seat rails and frame, Signs of removal.

## Configuration Information

### Model Information

Model Information (continued)

|             |                                                   |
|-------------|---------------------------------------------------|
| Model Name  | Jetour T2 2023 2.0T Four-wheel drive crossing PRO |
| Launch Date | 2023.09                                           |

Basic parameters

|                                          |                                                                                   |
|------------------------------------------|-----------------------------------------------------------------------------------|
| Vehicle Class                            | Compact SUV                                                                       |
| Energy Type                              | Gasoline                                                                          |
| Maximum Power (kW)                       | 187                                                                               |
| Maximum Torque (N·m)                     | 390                                                                               |
| Transmission                             | 7-speed wet dual-clutch                                                           |
| Body Type                                | SUV                                                                               |
| Engine                                   | 2.0T 254 horsepower L4                                                            |
| Dimensions (L×W×H) (mm)                  | 4785*2006*1880                                                                    |
| Official 0-100 km/h Acceleration (s)     | -                                                                                 |
| Top Speed (km/h)                         | 180                                                                               |
| Curb Weight (kg)                         | 1869                                                                              |
| Maximum Gross Weight (kg)                | 2450                                                                              |
| WLTP Combined Fuel Consumption (L/100km) | 8.83                                                                              |
| Towing Capacity (kg)                     | 1600                                                                              |
| First Owner Warranty Policy              | Lifetime Warranty/Non-operational (Liability Exemption Terms Subject to Official) |

engine

|                      |               |
|----------------------|---------------|
| Engine Model         | SQRF4J20      |
| Displacement (mL)    | 1998          |
| Displacement (L)     | 2.0           |
| Induction Type       | Turbocharging |
| Cylinder Arrangement | L             |
| Number of Cylinders  | 4             |
| Valves per Cylinder  | 4             |
| Compression Ratio    | 10.2          |
| Valve Train          | DOHC          |
| Bore (mm)            | 80.5          |
| Stroke (mm)          | 98.12         |

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Maximum Power (PS)      | 254              |
| Max Power Speed (rpm)   | 5500             |
| Max Torque Speed (rpm)  | 1750-4000        |
| Maximum net power (kW)  | 180              |
| Fuel Grade              | 92.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Horizontal       |

Screen/System

|                                     |                                                                                                                                                               |

Body

|                  |      |
|------------------|------|
| Length (mm)      | 4785 |
| Width (mm)       | 2006 |
| Height (mm)      | 1880 |
| Wheelbase (mm)   | 2800 |
| Front Track (mm) | 1685 |

Body (continued)

|                                            |            |
|--------------------------------------------|------------|
| Rear Track (mm)                            | 1695       |
| Door Opening Type                          | swing door |
| Number of Doors                            | 5          |
| Number of Seats                            | 5          |
| Fuel Tank Capacity (L)                     | 70         |
| Trunk volume (L)                           | -          |
| Drag Coefficient (Cd)                      | -          |
| Approach Angle (°)                         | 28         |
| Departure Angle (°)                        | 28         |
| Minimum ground clearance without load (mm) | 220        |
| Maximum wading depth (mm)                  | 700        |

Gearbox

|                   |                                    |
|-------------------|------------------------------------|
| Abbreviation      | 7-speed wet dual-clutch            |
| Number of Gears   | 7                                  |
| Transmission Type | Wet Dual-Clutch Transmission (DCT) |

Four-wheel drive/off-road

|                                      |                                                                               |
