| Compression Ratio      | 9.3               |
| Valve Train            | DOHC              |
| Bore (mm)              | 84                |
| Stroke (mm)            | 90                |
| Maximum Power (PS)     | 510               |
| Max Power Speed (rpm)  | 6250              |
| Max Torque Speed (rpm) | 2750-5500         |

engine (continued)

|                              |                          |
|------------------------------|--------------------------|
| Maximum net power (kW)       | 375                      |
| Fuel Grade                   | 95.                      |
| Fuel Delivery System         | Direct injection         |
| Cylinder Head Material       | Aluminum alloy           |
| Cylinder Block Material      | Aluminum alloy           |
| Engine layout                | Longitudinal             |
| Engine-specific technologies | Double VANOS/Valvetronic |

Screen/System

|                                  |                                                                   |
|----------------------------------|-------------------------------------------------------------------|
| Central control color screen     | • Touch LCD                                                       |
| Infotainment Screen Size         | • 10.25 inch                                                      |
| Bluetooth/In-car Phone           | •                                                                 |
| Smartphone Integration/Mirroring | • Apple CarPlay support; • Baidu CarLife support                  |
| Voice recognition control system | • Multimedia system; • Navigation; • Telephone; • Air conditioner |
| In-vehicle intelligent system    | •iDrive                                                           |

Body

|                        |            |
|------------------------|------------|
| Length (mm)            | 4803       |
| Width (mm)             | 1887       |
| Height (mm)            | 1405       |
| Wheelbase (mm)         | 2857       |
| Front Track (mm)       | -          |
| Rear Track (mm)        | -          |
| Door Opening Type      | swing door |
| Number of Doors        | 2          |
| Number of Seats        | 4          |
| Fuel Tank Capacity (L) | 59         |
| Trunk volume (L)       | -          |
| Drag Coefficient (Cd)  | -          |

Gearbox

|                 |                           |
|-----------------|---------------------------|
| Abbreviation    | 8-gear manual integration |
| Number of Gears | 8                         |

Gearbox (continued)

|                   |                                              |
|-------------------|----------------------------------------------|
| Transmission Type | Automatic Transmission with Manual Mode (AT) |
|-------------------|----------------------------------------------|

Four-wheel drive/off-road

|                                      |                                       |
|--------------------------------------|---------------------------------------|
| Limited Slip Differential/ Diff Lock | • Rear axle limited slip differential |
|--------------------------------------|---------------------------------------|

Chassis steering

|                                |                                                   |
|--------------------------------|---------------------------------------------------|
| Drive Type                     | Front-engine, All-wheel drive (F-AWD)             |
| Four-wheel drive               | Timely four-wheel drive                           |
| Central differential structure | Multi-plate clutch                                |
| Front Suspension Type          | Dual-ball-joint MacPherson independent suspension |
| Rear Suspension Type           | Five-link independent suspension                  |
| Power Steering Type            | Electric power assistance                         |
| Vehicle structure              | bearing type                                      |

Seat Configuration

|                                                         |                                                                                                                                                   |
|---------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Genuine leather                                                                                                                                 |
| Main seat adjustment                                    | • fore and aft adjustment; • Backrest adjustment; • Height adjustment (Four directions); • Leg rest adjustment; • Waist support (Four directions) |
| Co-seat adjustment method                               | • fore and aft adjustment; • Backrest adjustment; • Height adjustment (Four directions); • Leg rest adjustment; • Waist support (Four directions) |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                                                                   |
