

# Vehicle Detail Report

Jetour T2 2023 2.0TD Four-wheel drive Conquer PRO

## Basic Information

|                    |            |
|--------------------|------------|
| Brand              | Jetour     |
| Mileage            | 23,000 km  |
| Color              | Black      |
| First Registration | 2024-07-01 |
| Transfer Count     | 0          |

## Vehicle Images

Vehicle Condition

1. Left rear frame rail, Deformation. 2. Right rear frame rail, Scratch.

Configuration Information

Model Information

|             |                                                   |
|-------------|---------------------------------------------------|
| Model Name  | Jetour T2 2023 2.0T Four-wheel drive conquest PRO |
| Launch Date | 2023.09                                           |

Basic parameters

|                                          |                                                                                   |
|------------------------------------------|-----------------------------------------------------------------------------------|
| Vehicle Class                            | Compact SUV                                                                       |
| Energy Type                              | Gasoline                                                                          |
| Maximum Power (kW)                       | 187                                                                               |
| Maximum Torque (N·m)                     | 390                                                                               |
| Transmission                             | 8-gear manual integration                                                         |

| Engine                                   | 2.0T 254 horsepower L4                                                            |
| Dimensions (L×W×H) (mm)                  | 4785*2006*1880                                                                    |
| Official 0-100 km/h Acceleration (s)     | -                                                                                 |
| Top Speed (km/h)                         | 180                                                                               |
| Curb Weight (kg)                         | 1919                                                                              |
| Maximum Gross Weight (kg)                | 2450                                                                              |
| WLTP Combined Fuel Consumption (L/100km) | 9.58                                                                              |
| Towing Capacity (kg)                     | 1600                                                                              |
| First Owner Warranty Policy              | Lifetime Warranty/Non-operational (Liability Exemption Terms Subject to Official) |

engine

|                   |          |
|-------------------|----------|
| Engine Model      | SQRF4J20 |
| Displacement (mL) | 1998     |

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Displacement (L)        | 2.0              |
| Induction Type          | Turbocharging    |
| Cylinder Arrangement    | L                |
| Number of Cylinders     | 4                |
| Valves per Cylinder     | 4                |
| Compression Ratio       | 10.2             |
| Valve Train             | DOHC             |
| Bore (mm)               | 80.5             |
| Stroke (mm)             | 98.12            |
| Maximum Power (PS)      | 254              |
| Max Power Speed (rpm)   | 5500             |
| Max Torque Speed (rpm)  | 1750-4000        |
| Maximum net power (kW)  | 180              |
| Fuel Grade              | 92.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Horizontal       |

Screen/System

|                                     |                                                                               |
|-------------------------------------|-------------------------------------------------------------------------------|
| Central control color screen        | • Touch LCD screen                                                            |
| Infotainment Screen Size            | • 15.6 inches                                                                 |
| Bluetooth/In-car Phone              | •                                                                             |
| Smartphone Integration/ Mirroring   | •                                                                             |
| Voice recognition control system    | • Multimedia system; • Navigation; • Telephone; • Air conditioning; • Sunroof |
| Voice wake-up recognition by region | • Four areas                                                                  |
| Facial Recognition                  | •                                                                             |

Body

|                                            |            |
|--------------------------------------------|------------|
| Length (mm)                                | 4785       |
| Width (mm)                                 | 2006       |
| Height (mm)                                | 1880       |
| Wheelbase (mm)                             | 2800       |
| Front Track (mm)                           | 1685       |
| Rear Track (mm)                            | 1695       |
| Door Opening Type                          | swing door |
| Number of Doors                            | 5          |
| Number of Seats                            | 5          |
| Fuel Tank Capacity (L)                     | 70         |
| Trunk volume (L)                           | -          |
| Drag Coefficient (Cd)                      | -          |
| Approach Angle (°)                         | 28         |
| Departure Angle (°)                        | 28         |
| Minimum ground clearance without load (mm) | 220        |
| Maximum wading depth (mm)                  | 700        |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 8-gear manual integration                    |
| Number of Gears   | 8                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Four-wheel drive/off-road

|                                      |                                                                             |
|--------------------------------------|-----------------------------------------------------------------------------|
| Limited Slip Differential/ Diff Lock | <ul style="list-style-type: none"><li>Rear axle differential lock</li></ul> |
| Tow hook                             | ○ Manual (USD 294)                                                          |
| Center differential lock function    | <ul style="list-style-type: none"><li></li></ul>                            |
| Water sensing system                 | <ul style="list-style-type: none"><li></li></ul>                            |

Four-wheel drive/off-road (continued)

|            |   |
|------------|---|
| Creep Mode | • |
|------------|---|

Chassis steering

|                                |                                       |
|--------------------------------|---------------------------------------|
| Drive Type                     | Front-engine, All-wheel drive (F-AWD) |
| Four-wheel drive               | Timely four-wheel drive               |
| Central differential structure | Multi-plate clutch                    |
| Front Suspension Type          | MacPherson independent suspension     |
| Rear Suspension Type           | Multi-link independent suspension     |
| Power Steering Type            | Electric power assistance             |
| Vehicle structure              | bearing type                          |

Seat Configuration

|                                                         |                                                                                                          |
|---------------------------------------------------------|----------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Imitation leather; ○ Mix and match of leather/suede material                                           |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (2-way);• Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment; • Leg rest adjustment                                |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                          |
| Front seat functions                                    | • Heating; • Ventilation; • Massage (driving only)                                                       |
| Electric seat memory function                           | • driving position; • co-pilot position                                                                  |
| Front passenger seat rear adjustable buttons            | -                                                                                                        |
| Second row seat adjustment                              | • Backrest adjustment                                                                                    |
| Rear seat folding                                       | • Proportional down                                                                                      |
