

# Vehicle Detail Report

Jetour T2 2023 1.5TD Two-wheel drive Discover PRO

## Basic Information

|                    |            |
|--------------------|------------|
| Brand              | Jetour     |
| Mileage            | 38,000 km  |
| Color              | Black      |
| First Registration | 2023-10-01 |
| Transfer Count     | 0          |

## Vehicle Images

Vehicle Condition

1. Original metal body panels with factory paint.

Configuration Information

Model Information

|             |                                                   |
|-------------|---------------------------------------------------|
| Model Name  | Jetour T2 2023 1.5T Two-wheel drive discovery PRO |
| Launch Date | 2023.09                                           |

Basic parameters

|                                          |                                                                                   |
|------------------------------------------|-----------------------------------------------------------------------------------|
| Vehicle Class                            | Compact SUV                                                                       |
| Energy Type                              | Gasoline                                                                          |
| Maximum Power (kW)                       | 135                                                                               |
| Maximum Torque (N·m)                     | 290                                                                               |

| Body Type                                | SUV                                                                               |
| Engine                                   | 1.5T 184 horsepower L4                                                            |
| Dimensions (L×W×H) (mm)                  | 4785*2006*1880                                                                    |
| Official 0-100 km/h Acceleration (s)     | -                                                                                 |
| Top Speed (km/h)                         | 180                                                                               |
| Curb Weight (kg)                         | 1700                                                                              |
| Maximum Gross Weight (kg)                | 2450                                                                              |
| WLTP Combined Fuel Consumption (L/100km) | 8.35                                                                              |
| First Owner Warranty Policy              | Lifetime Warranty/Non-operational (Liability Exemption Terms Subject to Official) |

engine

|                   |          |
|-------------------|----------|
| Engine Model      | SQRG4J15 |
| Displacement (mL) | 1499     |
| Displacement (L)  | 1.5      |

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Induction Type          | Turbocharging    |
| Cylinder Arrangement    | L                |
| Number of Cylinders     | 4                |
| Valves per Cylinder     | 4                |
| Compression Ratio       | 11.6             |
| Valve Train             | DOHC             |
| Bore (mm)               | 74.5             |
| Stroke (mm)             | 85.9             |
| Maximum Power (PS)      | 184              |
| Max Power Speed (rpm)   | 5500             |
| Max Torque Speed (rpm)  | 2000-3500        |
| Maximum net power (kW)  | 125              |
| Fuel Grade              | 92.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Horizontal       |

Screen/System

|                                     |                                                                               |
|-------------------------------------|-------------------------------------------------------------------------------|
| Central control color screen        | • Touch LCD screen                                                            |
| Infotainment Screen Size            | • 15.6 inches                                                                 |
| Bluetooth/In-car Phone              | •                                                                             |
| Smartphone Integration/ Mirroring   | •                                                                             |
| Voice recognition control system    | • Multimedia system; • Navigation; • Telephone; • Air conditioning; • Sunroof |
| Voice wake-up recognition by region | • Four areas                                                                  |
| Facial Recognition                  | •                                                                             |
| App Store                           | •                                                                             |
| Voice assistant wake-up word        | • Hello, Xiaojie                                                              |
| Voice wake-up word-free             | •                                                                             |
| Continuous speech recognition       | •                                                                             |

Screen/System (continued)

|                                    |                            |
|------------------------------------|----------------------------|
| Car Intelligent Chip               | • Qualcomm Snapdragon 8155 |
| Multi-finger flying screen control | •                          |

Body

|                                            |            |
|--------------------------------------------|------------|
| Length (mm)                                | 4785       |
| Width (mm)                                 | 2006       |
| Height (mm)                                | 1880       |
| Wheelbase (mm)                             | 2800       |
| Front Track (mm)                           | 1690       |
| Rear Track (mm)                            | 1700       |
| Door Opening Type                          | swing door |
| Number of Doors                            | 5          |
| Number of Seats                            | 5          |
| Fuel Tank Capacity (L)                     | 70         |
| Trunk volume (L)                           | -          |
| Drag Coefficient (Cd)                      | -          |
| Approach Angle (°)                         | 28         |
| Departure Angle (°)                        | 28         |
| Minimum ground clearance without load (mm) | 220        |
| Maximum wading depth (mm)                  | 700        |

Gearbox

|                   |                                    |
|-------------------|------------------------------------|
| Abbreviation      | 7-speed wet dual-clutch            |
| Number of Gears   | 7                                  |
| Transmission Type | Wet Dual-Clutch Transmission (DCT) |

Chassis steering

|                       |                                      |
|-----------------------|--------------------------------------|
| Drive Type            | Front-engine, Front-wheel drive (FF) |
| Front Suspension Type | MacPherson independent suspension    |
| Rear Suspension Type  | Multi-link independent suspension    |
| Power Steering Type   | Electric power assistance            |
| Vehicle structure     | bearing type                         |

Seat Configuration

Seat Configuration (continued)

|                                                         |                                                                                 |
|---------------------------------------------------------|---------------------------------------------------------------------------------|
| Seat Material                                           | • Imitation leather; ○ Leather/fabric mix and match                             |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (2-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment                              |
| Electric adjustment of driver's seat and passenger seat | -                                                                               |
| Front passenger seat rear adjustable buttons            | -                                                                               |
| Second row seat adjustment                              | • Backrest adjustment                                                           |
| Rear seat folding                                       | • Proportional down                                                             |
| Front/rear center armrest                               | Front •/Rear •                                                                  |
| Rear cup holder                                         | •                                                                               |

Active safety

|                                              |                         |
|----------------------------------------------|-------------------------|
| Anti-lock Braking System (ABS)               | •                       |
| Electronic Brakeforce Distribution (EBD/CBC) | •                       |
| Brake Assist System (EBA/BAS/BA)             | •                       |
| Traction Control System (ASR/TCS/TRC)        | •                       |
| Electronic Stability Control (ESC/ESP/DSC)   | •                       |
| Tire Pressure Monitoring System (TPMS)       | • Tire pressure display |
| Seat Belt Reminder                           | • Front row             |
| ISOFIX Child Seat Anchors                    | •                       |
| Lane Departure Warning System (LDWS)         | -                       |
| Autonomous Emergency Braking (AEB)           | -                       |
| Driver Fatigue Detection                     | •                       |
| Rear Collision Warning                       | •                       |
| Emergency Call System (eCall)                | •                       |

Active safety (continued)

|                             |   |
|-----------------------------|---|
| Door Opening Warning (DOW)  | • |
| Roll-Over Protection System | • |

Air conditioning/refrigerator

|                                             |                              |
|---------------------------------------------|------------------------------|
| Air conditioning temperature control method | • Automatic air conditioning |
| Rear Independent Climate Control            | -                            |
| Rear seat air vents                         | •                            |
| Temperature zone control                    | •                            |
| Car air purifier                            | •                            |
| In-cabin PM2.5 Filter                       | •                            |
| Negative ion generator                      | •                            |
| Air quality monitoring                      | •                            |

Passive safety

|                                           |                 |
|-------------------------------------------|-----------------|
| Driver/passenger airbag                   | Main •/Deputy • |
| Front/rear side airbags                   | Front •/Rear-   |
| Front/rear head airbags (curtain airbags) | Front •/Rear •  |

Wheel brake

|                      |                    |
|----------------------|--------------------|
| Front Brake Type     | Ventilation disc   |
| Rear Brake Type      | Disc               |
| Parking brake type   | Electronic Parking |
| Front Tire Size      | 235/65 R18         |
| Rear Tire Size       | 235/65 R18         |
| Spare Tire Size      | Not full-size      |
| Spare tire placement | Backpack-style     |

Audio/Interior Lighting

|                    |              |
