

# Vehicle Detail Report

Li Auto ONE 2021 extended range 6 Seat plate

## Basic Information

|                    |            |
|--------------------|------------|
| Brand              | Li Auto    |
| Mileage            | 137,000 km |
| Color              | Dark gray  |
| First Registration | 2021-02-01 |
| Transfer Count     | 0          |

## Vehicle Images

Vehicle Condition

1. Front anti-collision beam, Replaced.

Configuration Information

Model Information

|             |                                                 |
|-------------|-------------------------------------------------|
| Model Name  | Li Auto ONE 2021 extended range 6<br>Seat plate |
| Launch Date | 2021.05                                         |

Basic parameters

|                                          |                                        |
|------------------------------------------|----------------------------------------|
| Vehicle Class                            | Mid-size and large SUVs                |
| Energy Type                              | Extended Range Electric Vehicle (EREV) |
| Maximum Power (kW)                       | 96                                     |
| Maximum Torque (N·m)                     | -                                      |
| Transmission                             | Electric vehicle single speed gearbox  |
| Body Type                                | SUV                                    |
| Engine                                   | Range-extended, 131 horsepower         |
| Dimensions (L×W×H) (mm)                  | 5030*1960*1760                         |
| Official 0-100 km/h Acceleration (s)     | 6.5                                    |
| Top Speed (km/h)                         | 172                                    |
| Curb Weight (kg)                         | 2300                                   |
| Maximum Gross Weight (kg)                | 2825                                   |
| NEDC Electric Range (km)                 | 188                                    |
| Fast Charging Time (h)                   | 0.5                                    |
| Slow Charging Time (h)                   | 6                                      |
| Electric Motor (PS)                      | 333                                    |
| NEDC Combined Fuel Consumption (L/100km) | 1.5                                    |
| Fast Charging Range (%)                  | 80                                     |

Basic parameters (continued)

|                                                      |     |
|------------------------------------------------------|-----|
| Electricity Consumption in Fuel Equivalent (L/100km) | 1.9 |
| WLTC Electric Range (km)                             | 148 |
| Fuel Consumption with Depleted Battery (L/100km)     | 8.8 |
| WLTP Combined Fuel Consumption (L/100km)             | 1.5 |

engine

|                         |                  |
|-------------------------|------------------|
| Engine Model            | DAM12TD          |
| Displacement (mL)       | 1199             |
| Displacement (L)        | 1.2              |
| Induction Type          | Turbocharging    |
| Cylinder Arrangement    | L                |
| Number of Cylinders     | 3                |
| Valves per Cylinder     | 4                |
| Valve Train             | DOHC             |
| Maximum Power (PS)      | 131              |
| Max Power Speed (rpm)   | 5500             |
| Max Torque Speed (rpm)  | -                |
| Maximum net power (kW)  | 96               |
| Fuel Grade              | 95.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Horizontal       |

Electric Motor

|                                       |                              |
|---------------------------------------|------------------------------|
| Motor Type                            | Permanent magnet/synchronous |
| Total Electric Motor Power (kW)       | 245                          |
| Total Electric Motor Torque (N·m)     | 455                          |
| Front Electric Motor Max Power (kW)   | 100                          |
| Front Electric Motor Max Torque (N·m) | 240                          |

Electric Motor (continued)

|                                                  |                            |
|--------------------------------------------------|----------------------------|
| System total power (kW)                          | 245                        |
| System comprehensive torque (N·m)                | 455                        |
| Number of drive motors                           | Dual motors                |
| Motor Layout                                     | Front-mounted Rear-mounted |
| Battery Type                                     | Ternary lithium battery    |
| Battery Capacity (kWh)                           | 40.5                       |
| Total Electric Motor Power (PS)                  | 333                        |
| Rear Electric Motor Max Power (kW)               | 145                        |
| Rear Electric Motor Max Torque (N·m)             | 215                        |
| Battery Cell Brand                               | Ningde Times               |
| Battery Cooling System                           | Liquid cooling             |
| Power consumption per 100 kilometers (kWh/100km) | 16.9                       |
| Fast charging function                           | Support                    |
| Fast Charging Power (kW)                         | 60                         |
| System Combined Horsepower (Ps)                  | 333                        |

Screen/System

|                                     |                                                                               |
|-------------------------------------|-------------------------------------------------------------------------------|
| Central control color screen        | • Touch LCD screen                                                            |
| Infotainment Screen Size            | •16.2 inches                                                                  |
| Bluetooth/In-car Phone              | •                                                                             |
| Voice recognition control system    | • Multimedia system; • Navigation; • Telephone; • Air conditioning; • Sunroof |
| Center console screen size          | • 10.1 inches                                                                 |
| Passenger entertainment screen size | • 12.3 inches                                                                 |

Body

|                |      |
|----------------|------|
| Length (mm)    | 5030 |
| Width (mm)     | 1960 |
| Height (mm)    | 1760 |
| Wheelbase (mm) | 2935 |

Body (continued)

|                                      |            |
|--------------------------------------|------------|
| Front Track (mm)                     | 1652       |
| Rear Track (mm)                      | 1672       |
| Ground Clearance (Fully Loaded) (mm) | 180        |
| Door Opening Type                    | swing door |
| Number of Doors                      | 5          |
| Number of Seats                      | 6          |
| Fuel Tank Capacity (L)               | 55         |
| Trunk volume (L)                     | -          |
| Drag Coefficient (Cd)                | -          |
| Approach Angle (°)                   | 21         |
| Departure Angle (°)                  | 23         |

Gearbox

|                   |                                       |
|-------------------|---------------------------------------|
| Abbreviation      | Electric vehicle single speed gearbox |
| Number of Gears   | 1                                     |
| Transmission Type | Fixed Gear Ratio Transmission         |

Chassis steering

|                       |                                   |
|-----------------------|-----------------------------------|
| Drive Type            | Dual-motor All-wheel Drive        |
| Four-wheel drive      | Electric four-wheel drive         |
| Front Suspension Type | MacPherson independent suspension |
| Rear Suspension Type  | Multi-link independent suspension |
| Power Steering Type   | Electric power assistance         |
| Vehicle structure     | bearing type                      |

Seat Configuration

|                                                         |                                                                                                          |
|---------------------------------------------------------|----------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Leather                                                                                                |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Lumbar support (4-way) |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                          |

Seat Configuration (continued)

|                                              |                                                                         |
|----------------------------------------------|-------------------------------------------------------------------------|
| Front seat functions                         | • Heating; • Ventilation; • Massage                                     |
| Electric seat memory function                | • Driving position                                                      |
| Front passenger seat rear adjustable buttons | •                                                                       |
| Second row seat adjustment                   | • Front and rear adjustment; • Backrest adjustment; • Lumbar adjustment |
| Rear seat folding                            | • Proportional down                                                     |
| Front/rear center armrest                    | Front •/Rear •                                                          |
| Rear cup holder                              | •                                                                       |
| Second row seat functions                    | • Heating; • Massage                                                    |
| Seat Layout                                  | •2-2-2                                                                  |
| Second row independent seats                 | •                                                                       |
| Second row seats electrically adjustable     | •                                                                       |

Active safety

|                                              |                           |
|----------------------------------------------|---------------------------|
| Anti-lock Braking System (ABS)               | •                         |
| Electronic Brakeforce Distribution (EBD/CBC) | •                         |
| Brake Assist System (EBA/BAS/BA)             | •                         |
| Traction Control System (ASR/TCS/TRC)        | •                         |
| Electronic Stability Control (ESC/ESP/DSC)   | •                         |
| Tire Pressure Monitoring System (TPMS)       | • Tire pressure display   |
| Seat Belt Reminder                           | • Front row; • Second row |
| ISOFIX Child Seat Anchors                    | •                         |
| Lane Departure Warning System (LDWS)         | •                         |
| Autonomous Emergency Braking (AEB)           | •                         |
| Driver Fatigue Detection                     | -                         |
| Forward Collision Warning (FCW)              | •                         |

Active safety (continued)

|                               |   |
|-------------------------------|---|
| Low Speed Alert               | • |
| Emergency Call System (eCall) | • |
| Built-in Dashcam              | • |
| Door Opening Warning (DOW)    | • |

Air conditioning/refrigerator

|                                             |                              |
|---------------------------------------------|------------------------------|
| Air conditioning temperature control method | • Automatic air conditioning |
| Rear Independent Climate Control            | •                            |
| Rear seat air vents                         | •                            |
| Temperature zone control                    | •                            |
| Car air purifier                            | •                            |
| In-cabin PM2.5 Filter                       | •                            |

Passive safety

|                                           |                        |
|-------------------------------------------|------------------------|
| Driver/passenger airbag                   | Main •/Deputy •        |
| Front/rear side airbags                   | Front •/Rear-          |
| Front/rear head airbags (curtain airbags) | Front •/Rear •         |
