| NEDC Combined Fuel Consumption (L/100km) | 8                         |

engine

|                      |               |
|----------------------|---------------|
| Engine Model         | -             |
| Displacement (mL)    | 2998          |
| Displacement (L)     | 3.0           |
| Induction Type       | Turbocharging |
| Cylinder Arrangement | L             |

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Number of Cylinders     | 6                |
| Valves per Cylinder     | 4                |
| Valve Train             | DOHC             |
| Maximum Power (PS)      | 326              |
| Max Power Speed (rpm)   | 5500-6500        |
| Max Torque Speed (rpm)  | 1380-5000        |
| Maximum net power (kW)  | -                |
| Fuel Grade              | 95.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |

Screen/System

|                                  |                                               |
|----------------------------------|-----------------------------------------------|
| Central control color screen     | • Touch LCD screen                            |
| Infotainment Screen Size         | • 10.3 inches                                 |
| Bluetooth/In-car Phone           | •                                             |
| Smartphone Integration/Mirroring | ○ Apple CarPlay support                       |
| Voice recognition control system | • Navigation; • Telephone; • Air conditioning |
| Car TV                           | ○                                             |
| In-car CD/DVD Player             | • Single DVD                                  |
| Rear LCD screen                  | •                                             |
| Rear multimedia control          | •                                             |
| Gesture Control                  | •                                             |

Body

|                   |      |
|-------------------|------|
| Length (mm)       | 5250 |
| Width (mm)        | 1902 |
| Height (mm)       | 1498 |
| Wheelbase (mm)    | 3210 |
| Front Track (mm)  | -    |
| Rear Track (mm)   | -    |
| Door Opening Type | -    |
| Number of Doors   | 4    |
| Number of Seats   | 4    |

Body (continued)

|                        |     |
|------------------------|-----|
| Fuel Tank Capacity (L) | 78  |
| Trunk volume (L)       | 515 |
| Drag Coefficient (Cd)  | -   |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 8-gear manual integration                    |
| Number of Gears   | 8                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

|                                |                                        |
|--------------------------------|----------------------------------------|
| Drive Type                     | Front-engine, All-wheel drive (F-AWD)  |
| Four-wheel drive               | Timely four-wheel drive                |
| Central differential structure | Multi-plate clutch                     |
| Front Suspension Type          | Double wishbone independent suspension |
| Rear Suspension Type           | Multi-link independent suspension      |
| Power Steering Type            | Electric power assistance              |
| Vehicle structure              | bearing type                           |

Seat Configuration

|                                                         |                                                                                                                                                        |
|---------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Leather                                                                                                                                              |
| Main seat adjustment                                    | • Front-to-back adjustment; • Backrest adjustment; • Height adjustment (4-way); • Shoulder adjustment; • Leg rest adjustment; • Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Leg support adjustment                                               |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                                                                        |
| Front seat functions                                    | • Heating; • Ventilation; • Massage (driving only)                                                                                                     |
| Electric seat memory function                           | • Driver’s seat; • Passenger seat; • Rear seats                                                                                                        |
| Front passenger seat rear adjustable buttons            | •                                                                                                                                                      |
| Second row seat adjustment                              | • Front and rear adjustment; • Backrest adjustment                                                                                                     |

Seat Configuration (continued)

|                                          |                                     |
|------------------------------------------|-------------------------------------|
| Front/rear center armrest                | Front •/Rear •                      |
| Rear cup holder                          | •                                   |
| Second row seat functions                | • Heating; • Ventilation; • Massage |
| Second row seats electrically adjustable | •                                   |

Active safety

|                                              |                       |
|----------------------------------------------|-----------------------|
| Anti-lock Braking System (ABS)               | •                     |
| Electronic Brakeforce Distribution (EBD/CBC) | •                     |
| Brake Assist System (EBA/BAS/BA)             | •                     |
| Traction Control System (ASR/TCS/TRC)        | •                     |
| Electronic Stability Control (ESC/ESP/DSC)   | •                     |
| Tire Pressure Monitoring System (TPMS)       | • Tire pressure alarm |
| Seat Belt Reminder                           | • Front row           |
| ISOFIX Child Seat Anchors                    | •                     |
| Lane Departure Warning System (LDWS)         | •                     |
| Autonomous Emergency Braking (AEB)           | •                     |
| Driver Fatigue Detection                     | •                     |
| Emergency Call System (eCall)                | •                     |

Air conditioning/refrigerator

|                                             |                              |
|---------------------------------------------|------------------------------|
| Air conditioning temperature control method | • Automatic air conditioning |
| Rear Independent Climate Control            | •                            |
| Rear seat air vents                         | •                            |
| Temperature zone control                    | •                            |
| Car air purifier                            | -                            |
| In-cabin PM2.5 Filter                       | •                            |
| Car fragrance device                        | •                            |

Passive safety

Passive safety (continued)

|                                           |                 |
|-------------------------------------------|-----------------|
| Driver/passenger airbag                   | Main •/Deputy • |
