

# Vehicle Detail Report

## Geely Preface 2026 2.0T Oriental Yao full moon version

### Basic Information

|                    |            |
|--------------------|------------|
| Brand              | Geely      |
| Mileage            | 5,300 km   |
| Color              | Dark gray  |
| First Registration | 2025-11-01 |
| Transfer Count     | 0          |

### Vehicle Images

**Vehicle Condition**

1. Original metal body panels with factory paint.

**Configuration Information**

**Model Information**

|            |                                                            |
|------------|------------------------------------------------------------|
| Model Name | Geely Preface 2026 Oriental Yao<br>2.0TD full moon version |
|------------|------------------------------------------------------------|

Model Information (continued)

|             |         |
|-------------|---------|
| Launch Date | 2025.09 |
|-------------|---------|

Basic parameters

|                                          |                           |
|------------------------------------------|---------------------------|
| Vehicle Class                            | compact car               |
| Energy Type                              | Gasoline                  |
| Maximum Power (kW)                       | 200                       |
| Maximum Torque (N·m)                     | 400                       |
| Transmission                             | 8-gear manual integration |
| Body Type                                | Sedan                     |
| Engine                                   | 2.0T 272 horsepower L4    |
| Dimensions (L×W×H) (mm)                  | 4825*1869*1469            |
| Official 0-100 km/h Acceleration (s)     | -                         |
| Top Speed (km/h)                         | 215                       |
| Curb Weight (kg)                         | 1550                      |
| Maximum Gross Weight (kg)                | 2050                      |
| WLTP Combined Fuel Consumption (L/100km) | 7.15                      |

engine

|                        |                  |
|------------------------|------------------|
| Engine Model           | JLH-4G20TDH      |
| Displacement (mL)      | 1969             |
| Displacement (L)       | 2.0              |
| Induction Type         | Turbocharging    |
| Cylinder Arrangement   | L                |
| Number of Cylinders    | 4                |
| Valves per Cylinder    | 4                |
| Valve Train            | DOHC             |
| Maximum Power (PS)     | 272              |
| Max Power Speed (rpm)  | -                |
| Max Torque Speed (rpm) | -                |
| Maximum net power (kW) | 195              |
| Fuel Grade             | 95.              |
| Fuel Delivery System   | Direct injection |
| Cylinder Head Material | Aluminum alloy   |

engine (continued)

|                         |                |
|-------------------------|----------------|
| Cylinder Block Material | Aluminum alloy |
| Engine layout           | Horizontal     |

Screen/System

|                                     |                                                                               |
|-------------------------------------|-------------------------------------------------------------------------------|
| Central control color screen        | • Touch LCD screen                                                            |
| Infotainment Screen Size            | • 14.6 inches                                                                 |
| Bluetooth/In-car Phone              | •                                                                             |
| Smartphone Integration/ Mirroring   | • Support HUAWEI HiCar;• Support Carlink;• Support Flyme link                 |
| Voice recognition control system    | • Multimedia system; • Navigation; • Telephone; • Air conditioning; • Sunroof |
| Voice wake-up recognition by region | • Dual Zone                                                                   |
| In-vehicle intelligent system       | •Flyme Auto                                                                   |
| Facial Recognition                  | •                                                                             |
| App Store                           | •                                                                             |
| Central control screen resolution   | •1920x1080                                                                    |
| Voice assistant wake-up word        | • Hello, Geely                                                                |
| Voice wake-up word-free             | •                                                                             |
| Continuous speech recognition       | •                                                                             |
| Car Intelligent Chip                | • Qualcomm Snapdragon 8155                                                    |
| DeepSeek Application                | • Connected                                                                   |

Body

|                   |            |
|-------------------|------------|
| Length (mm)       | 4825       |
| Width (mm)        | 1869       |
| Height (mm)       | 1469       |
| Wheelbase (mm)    | 2800       |
| Front Track (mm)  | 1618       |
| Rear Track (mm)   | 1618       |
| Door Opening Type | swing door |
| Number of Doors   | 4          |
| Number of Seats   | 5          |

Body (continued)

|                        |    |
|------------------------|----|
| Fuel Tank Capacity (L) | 50 |
| Trunk volume (L)       | -  |
| Drag Coefficient (Cd)  | -  |
| Approach Angle (°)     | 13 |
| Departure Angle (°)    | 15 |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 8-gear manual integration                    |
| Number of Gears   | 8                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

|                       |                                      |
|-----------------------|--------------------------------------|
| Drive Type            | Front-engine, Front-wheel drive (FF) |
| Front Suspension Type | MacPherson independent suspension    |
| Rear Suspension Type  | Multi-link independent suspension    |
| Power Steering Type   | Electric power assistance            |
| Vehicle structure     | bearing type                         |

Seat Configuration

|                                                         |                                                                                                          |
|---------------------------------------------------------|----------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Leather/suede mix and match                                                                            |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (2-way);• Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment                                                       |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                          |
| Front seat functions                                    | • Heating; • Ventilation; • Headrest speaker (driving only)                                              |
| Electric seat memory function                           | • Driving position                                                                                       |
| Front passenger seat rear adjustable buttons            | -                                                                                                        |
| Rear seat folding                                       | • Proportional down                                                                                      |
| Front/rear center armrest                               | Front •/Rear •                                                                                           |
| Rear cup holder                                         | •                                                                                                        |
