Vehicle Condition

1. Headliner, Soiling. 2. Left rear quarter panel, Paint chip, Scratch. 3. Right rear quarter panel, Scratch. 4. Headliner, Soiling.

Configuration Information

Model Information

|             |                                             |
|-------------|---------------------------------------------|
| Model Name  | BMW 5 Series 2020 530Li leading luxury suit |
| Launch Date | 2019.10                                     |

Basic parameters

|                                          |                           |
|------------------------------------------|---------------------------|
| Vehicle Class                            | Mid-size and large cars   |
| Energy Type                              | Gasoline                  |
| Maximum Power (kW)                       | 185                       |
| Maximum Torque (N·m)                     | 350                       |
| Transmission                             | 8-gear manual integration |
| Body Type                                | Sedan                     |
| Engine                                   | 2.0L 252 hp L4            |
| Dimensions (L×W×H) (mm)                  | 5087*1868*1500            |
| Official 0-100 km/h Acceleration (s)     | 7                         |
| Top Speed (km/h)                         | 250                       |
| Curb Weight (kg)                         | 1755                      |
| Maximum Gross Weight (kg)                | -                         |
| NEDC Combined Fuel Consumption (L/100km) | 6.9                       |

engine

|                      |               |
|----------------------|---------------|
| Engine Model         | B48B20D       |
| Displacement (mL)    | 1998          |
| Displacement (L)     | 2.0           |
| Induction Type       | Turbocharging |
| Cylinder Arrangement | L             |

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Number of Cylinders     | 4                |
| Valves per Cylinder     | 4                |
| Valve Train             | DOHC             |
| Maximum Power (PS)      | 252              |
| Max Power Speed (rpm)   | 5200-6500        |
| Max Torque Speed (rpm)  | 1450-4800        |
| Maximum net power (kW)  | 185              |
| Fuel Grade              | 95.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Longitudinal     |

Screen/System

|                                  |                                                |
|----------------------------------|------------------------------------------------|
| Central control color screen     | • Touch LCD screen                             |
| Infotainment Screen Size         | • 10.25 inches                                 |
| Bluetooth/In-car Phone           | •                                              |
| Smartphone Integration/Mirroring | • Support CarPlay                              |
| Voice recognition control system | • Multimedia system; • Navigation; • Telephone |
| Rear multimedia control          | ○(USD 912)                                     |
| Gesture Control                  | ○(USD 368)                                     |

Body

|                        |      |
|------------------------|------|
| Length (mm)            | 5087 |
| Width (mm)             | 1868 |
| Height (mm)            | 1500 |
| Wheelbase (mm)         | 3108 |
| Front Track (mm)       | -    |
| Rear Track (mm)        | -    |
| Door Opening Type      | -    |
| Number of Doors        | 4    |
| Number of Seats        | 5    |
| Fuel Tank Capacity (L) | 68   |
| Trunk volume (L)       | -    |

Body (continued)

|                       |   |
|-----------------------|---|
| Drag Coefficient (Cd) | - |
|-----------------------|---|

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 8-gear manual integration                    |
| Number of Gears   | 8                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

|                       |                                        |
|-----------------------|----------------------------------------|
| Drive Type            | Front-engine, Rear-wheel drive (FR)    |
| Front Suspension Type | Double wishbone independent suspension |
| Rear Suspension Type  | Multi-link independent suspension      |
| Power Steering Type   | Electric power assistance              |
| Vehicle structure     | bearing type                           |

Seat Configuration

|                                                         |                                                                                                          |
|---------------------------------------------------------|----------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Leather                                                                                                |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);○ Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);○ Lumbar support (4-way) |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                          |
| Front seat functions                                    | • Heating; ○ Ventilation (USD 971)                                                                       |
| Electric seat memory function                           | • Driving position                                                                                       |
| Front passenger seat rear adjustable buttons            | •                                                                                                        |
| Second row seat adjustment                              | • Backrest adjustment                                                                                    |
| Front/rear center armrest                               | Front •/Rear •                                                                                           |
| Rear cup holder                                         | •                                                                                                        |
| Second row seat functions                               | ○ Heating                                                                                                |
| Second row seats electrically adjustable                | •                                                                                                        |

Active safety

Active safety (continued)

|                                              |                         |
