

# Vehicle Detail Report

Geely Monjaro 2021 2.0TD DCT EVO Two-wheel drive noble type

## Basic Information

|                    |             |
|--------------------|-------------|
| Brand              | Geely       |
| Mileage            | 22,000 km   |
| Color              | Silver-gray |
| First Registration | 2023-10-01  |
| Transfer Count     | 0           |

## Vehicle Images

Vehicle Condition

1. Right rocker panel, Inner-side deformation. 2. Left rear quarter panel, Deformation. 3. Right rear quarter panel, Deformation.

Configuration Information

Model Information

|             |                                                             |
|-------------|-------------------------------------------------------------|
| Model Name  | Geely Monjaro 2021 2.0TD DCT EVO Two-wheel drive noble type |
| Launch Date | 2021.07                                                     |

Basic parameters

|                                          |                         |
|------------------------------------------|-------------------------|
| Vehicle Class                            | Compact SUV             |
| Energy Type                              | Gasoline                |
| Maximum Power (kW)                       | 160                     |
| Maximum Torque (N·m)                     | 325                     |
| Transmission                             | 7-speed wet dual-clutch |
| Body Type                                | SUV                     |
| Engine                                   | 2.0L 218 hp L4          |
| Dimensions (L×W×H) (mm)                  | 4770*1895*1689          |
| Official 0-100 km/h Acceleration (s)     | 7.9                     |
| Top Speed (km/h)                         | 215                     |
| Curb Weight (kg)                         | 1675                    |
| Maximum Gross Weight (kg)                | 2130                    |
| NEDC Combined Fuel Consumption (L/100km) | 6.8                     |
| WLTP Combined Fuel Consumption (L/100km) | 7.5                     |

engine

|                   |             |
|-------------------|-------------|
| Engine Model      | JLH-4G20TDJ |
| Displacement (mL) | 1969        |
| Displacement (L)  | 2.0         |

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Induction Type          | Turbocharging    |
| Cylinder Arrangement    | L                |
| Number of Cylinders     | 4                |
| Valves per Cylinder     | 4                |
| Valve Train             | DOHC             |
| Maximum Power (PS)      | 218              |
| Max Power Speed (rpm)   | -                |
| Max Torque Speed (rpm)  | -                |
| Maximum net power (kW)  | 160              |
| Fuel Grade              | 95.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Horizontal       |

Screen/System

|                                      |                                                                               |
|--------------------------------------|-------------------------------------------------------------------------------|
| Central control color screen         | • Touch LCD screen                                                            |
| Infotainment Screen Size             | • 12.3 inches                                                                 |

| Smartphone Integration/ Mirroring    | • Support HUAWEI HiCar                                                        |
| Voice recognition control system     | • Multimedia system; • Navigation; • Telephone; • Air conditioning; • Sunroof |
| Central control screen resolution    | •1920x720                                                                     |
| Central control screen pixel density | •167PPI                                                                       |
| Passenger entertainment screen size  | • 12.3 inches                                                                 |
| Passenger screen resolution          | •1920x720                                                                     |
| Passenger screen pixel density       | •167PPI                                                                       |

Body

|             |      |
|-------------|------|
| Length (mm) | 4770 |
| Width (mm)  | 1895 |

Body (continued)

|                        |            |
|------------------------|------------|
| Height (mm)            | 1689       |
| Wheelbase (mm)         | 2845       |
| Front Track (mm)       | 1610       |
| Rear Track (mm)        | 1610       |
| Door Opening Type      | swing door |
| Number of Doors        | 5          |
| Number of Seats        | 5          |
| Fuel Tank Capacity (L) | 55         |
| Trunk volume (L)       | 562        |
| Drag Coefficient (Cd)  | -          |
| Approach Angle (°)     | 19         |
| Departure Angle (°)    | 19         |

Gearbox

|                   |                                    |
|-------------------|------------------------------------|
| Abbreviation      | 7-speed wet dual-clutch            |
| Number of Gears   | 7                                  |
| Transmission Type | Wet Dual-Clutch Transmission (DCT) |

Chassis steering

|                       |                                      |
|-----------------------|--------------------------------------|
| Drive Type            | Front-engine, Front-wheel drive (FF) |
| Front Suspension Type | MacPherson independent suspension    |
| Rear Suspension Type  | Multi-link independent suspension    |
| Power Steering Type   | Electric power assistance            |
| Vehicle structure     | bearing type                         |

Seat Configuration

|                                                         |                                                                                                          |
|---------------------------------------------------------|----------------------------------------------------------------------------------------------------------|
| Seat Material                                           | • Imitation leather; ○ Mix and match of leather/suede material                                           |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (2-way)                          |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                          |
| Front seat functions                                    | • Heating; • Ventilation (driving position only)                                                         |

Seat Configuration (continued)

|                                              |                       |
|----------------------------------------------|-----------------------|
| Electric seat memory function                | • Driving position    |
| Front passenger seat rear adjustable buttons | -                     |
| Second row seat adjustment                   | • Backrest adjustment |
| Rear seat folding                            | • Proportional down   |
| Front/rear center armrest                    | Front •/Rear •        |
| Rear cup holder                              | •                     |

Active safety

|                                              |                         |
|----------------------------------------------|-------------------------|
| Anti-lock Braking System (ABS)               | •                       |
| Electronic Brakeforce Distribution (EBD/CBC) | •                       |
| Brake Assist System (EBA/BAS/BA)             | •                       |
| Traction Control System (ASR/TCS/TRC)        | •                       |
| Electronic Stability Control (ESC/ESP/DSC)   | •                       |
| Tire Pressure Monitoring System (TPMS)       | • Tire pressure display |
| Seat Belt Reminder                           | • Full car              |
| ISOFIX Child Seat Anchors                    | •                       |
| Lane Departure Warning System (LDWS)         | •                       |
| Autonomous Emergency Braking (AEB)           | •                       |
| Driver Fatigue Detection                     | -                       |
| Forward Collision Warning (FCW)              | •                       |
| Emergency Call System (eCall)                | •                       |

Air conditioning/refrigerator

|                                             |                              |
|---------------------------------------------|------------------------------|
| Air conditioning temperature control method | • Automatic air conditioning |
| Rear Independent Climate Control            | -                            |
| Rear seat air vents                         | •                            |

Air conditioning/refrigerator (continued)

|                          |   |
|--------------------------|---|
| Temperature zone control | • |
| Car air purifier         | - |
| In-cabin PM2.5 Filter    | • |

Passive safety

|                                           |                 |
|-------------------------------------------|-----------------|
| Driver/passenger airbag                   | Main •/Deputy • |
| Front/rear side airbags                   | Front •/Rear-   |
| Front/rear head airbags (curtain airbags) | Front •/Rear •  |

Wheel brake

|                    |                    |
|--------------------|--------------------|
| Front Brake Type   | Ventilation disc   |
| Rear Brake Type    | Disc               |
| Parking brake type | Electronic Parking |
| Front Tire Size    | 235/50 R19         |
| Rear Tire Size     | 235/50 R19         |
| Spare Tire Size    | Not full-size      |

Audio/Interior Lighting

|                           |              |
|---------------------------|--------------|
| Number of speakers        | • 8 speakers |
| Interior ambient lighting | • 72 Colors  |

Driving functions

|                                        |                              |
|----------------------------------------|------------------------------|
| Navigation traffic information display | •                            |
| Lane assist                            | -                            |
| Lane Keeping Assist System             | •                            |
| Cruise control system                  | • Full speed adaptive cruise |
| Satellite navigation system            | •                            |
| Driving assistance level               | •L2                          |
| Road traffic sign recognition          | •                            |
| Map Brand                              | • Gaud; • Baidu              |
| Parking Assist                         | -                            |

Exterior lighting

|                            |      |
|----------------------------|------|
| Low beam light source      | •LED |
| High beam light source     | •LED |
| LED daytime running lights | •    |

Exterior lighting (continued)

|                              |                                                  |
|------------------------------|--------------------------------------------------|
| Adaptive high and low beam   | <ul style="list-style-type: none"><li></li></ul> |
| Automatic headlights         | <ul style="list-style-type: none"><li></li></ul> |
| Height-adjustable headlights | <ul style="list-style-type: none"><li></li></ul> |
| Headlight Delay Off          | <ul style="list-style-type: none"><li></li></ul> |

Exterior mirrors

|                          |                                                                                                                                                                               |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Exterior mirror function | <ul style="list-style-type: none"><li>• Electric adjustment;</li><li>• Electric folding;</li><li>• Rearview mirror heating;</li><li>• Automatic folding when locked</li></ul> |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Appearance/anti-theft

|                                   |                                                                  |
|-----------------------------------|------------------------------------------------------------------|
| Rim material                      | <ul style="list-style-type: none"><li>• Aluminum alloy</li></ul> |
| Electric trunk                    | <ul style="list-style-type: none"><li></li></ul>                 |
| Electronic engine immobilizer     | <ul style="list-style-type: none"><li></li></ul>                 |
