| Energy Type                              | Gasoline                   |
| Maximum Power (kW)                       | 73.3                       |
| Maximum Torque (N·m)                     | 132.4                      |
| Transmission                             | 6-speed manual integration |
| Body Type                                | Hatchback                  |
| Engine                                   | 1.4L 100 horsepower L4     |
| Dimensions (L×W×H) (mm)                  | 4190*1728*1460             |
| Official 0-100 km/h Acceleration (s)     | -                          |
| Top Speed (km/h)                         | 181                        |
| Curb Weight (kg)                         | 1117                       |
| Maximum Gross Weight (kg)                | -                          |
| NEDC Combined Fuel Consumption (L/100km) | 6                          |

### engine

|                   |      |
|-------------------|------|
| Engine Model      | -    |
| Displacement (mL) | 1368 |
| Displacement (L)  | 1.4  |

engine (continued)

|                         |                    |
|-------------------------|--------------------|
| Induction Type          | Natural aspiration |
| Cylinder Arrangement    | L                  |
| Number of Cylinders     | 4                  |
| Valves per Cylinder     | 4                  |
| Valve Train             | DOHC               |
| Maximum Power (PS)      | 100                |
| Max Power Speed (rpm)   | 6000               |
| Max Torque Speed (rpm)  | 4000               |
| Maximum net power (kW)  | -                  |
| Fuel Grade              | 92.                |
| Fuel Delivery System    | Multi-point EFI    |
| Cylinder Head Material  | Aluminum alloy     |
| Cylinder Block Material | Aluminum alloy     |

Screen/System

|                        |   |
|------------------------|---|
| Bluetooth/In-car Phone | - |
|------------------------|---|

Body

|                        |      |
|------------------------|------|
| Length (mm)            | 4190 |
| Width (mm)             | 1728 |
| Height (mm)            | 1460 |
| Wheelbase (mm)         | 2600 |
| Front Track (mm)       | -    |
| Rear Track (mm)        | -    |
| Door Opening Type      | -    |
| Number of Doors        | 5    |
| Number of Seats        | 5    |
| Fuel Tank Capacity (L) | 43   |
| Trunk volume (L)       | 390  |
| Drag Coefficient (Cd)  | -    |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 6-speed manual integration                   |
| Number of Gears   | 6                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

Chassis steering (continued)

|                       |                                         |
|-----------------------|-----------------------------------------|
| Drive Type            | Front-engine, Front-wheel drive (FF)    |
| Front Suspension Type | MacPherson independent suspension       |
| Rear Suspension Type  | Torsion beam non-independent suspension |
| Power Steering Type   | Electric power assistance               |
| Vehicle structure     | bearing type                            |

Seat Configuration

|                                                         |                                                  |
|---------------------------------------------------------|--------------------------------------------------|
| Seat Material                                           | • Fabric                                         |
| Main seat adjustment                                    | • fore and aft adjustment; • Backrest adjustment |
| Co-seat adjustment method                               | • fore and aft adjustment; • Backrest adjustment |
| Electric adjustment of driver's seat and passenger seat | -                                                |
| Front passenger seat rear adjustable buttons            | -                                                |
| Rear seat folding                                       | • Proportional folding                           |
| Front/rear center armrest                               | Front •/Rear-                                    |
| Rear cup holder                                         | -                                                |

Active safety

|                                              |             |
|----------------------------------------------|-------------|
| Anti-lock Braking System (ABS)               | •           |
| Electronic Brakeforce Distribution (EBD/CBC) | •           |
| Brake Assist System (EBA/BAS/BA)             | -           |
| Traction Control System (ASR/TCS/TRC)        | -           |
| Electronic Stability Control (ESC/ESP/DSC)   | -           |
| Seat Belt Reminder                           | • Front row |
| ISOFIX Child Seat Anchors                    | •           |
| Lane Departure Warning System (LDWS)         | -           |
| Autonomous Emergency Braking (AEB)           | -           |
| Driver Fatigue Detection                     | -           |

Air conditioning/refrigerator

Air conditioning/refrigerator (continued)

|                                             |                           |
|---------------------------------------------|---------------------------|
| Air conditioning temperature control method | • Manual air conditioning |
| Rear Independent Climate Control            | -                         |
| Rear seat air vents                         | -                         |
| Temperature zone control                    | -                         |
| Car air purifier                            | -                         |
| In-cabin PM2.5 Filter                       | -                         |

Passive safety

|                                           |                 |
|-------------------------------------------|-----------------|
| Driver/passenger airbag                   | Main •/Deputy • |
