engine (continued)

|                         |                  |
|-------------------------|------------------|
| Number of Cylinders     | 4                |
| Valves per Cylinder     | 4                |
| Valve Train             | DOHC             |
| Maximum Power (PS)      | 204              |
| Max Power Speed (rpm)   | 6100             |
| Max Torque Speed (rpm)  | 1800-4000        |
| Maximum net power (kW)  | 150              |
| Fuel Grade              | 95.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Longitudinal     |

Screen/System

|                                     |                                                                    |
|-------------------------------------|--------------------------------------------------------------------|
| Central control color screen        | • Touch LCD screen                                                 |
| Infotainment Screen Size            | • 11.9 inches                                                      |
| Bluetooth/In-car Phone              | •                                                                  |
| Smartphone Integration/Mirroring    | • Support CarPlay;• Support Android Auto                           |
| Voice recognition control system    | • Multimedia system; • Navigation; • Telephone; • Air conditioning |
| Voice wake-up recognition by region | • Dual Zone                                                        |
| In-vehicle intelligent system       | •MBUX                                                              |
| Voice wake-up word-free             | •                                                                  |
| Continuous speech recognition       | •                                                                  |

Body

|                   |            |
|-------------------|------------|
| Length (mm)       | 4882       |
| Width (mm)        | 1820       |
| Height (mm)       | 1461       |
| Wheelbase (mm)    | 2954       |
| Front Track (mm)  | 1589       |
| Rear Track (mm)   | 1563       |
| Door Opening Type | swing door |

Body (continued)

|                        |     |
|------------------------|-----|
| Number of Doors        | 4   |
| Number of Seats        | 5   |
| Fuel Tank Capacity (L) | 66  |
| Trunk volume (L)       | 455 |
| Drag Coefficient (Cd)  | -   |
| Approach Angle (°)     | 15  |
| Departure Angle (°)    | 18  |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 9-gear manual integration                    |
| Number of Gears   | 9                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

|                       |                                     |
|-----------------------|-------------------------------------|
| Drive Type            | Front-engine, Rear-wheel drive (FR) |
| Front Suspension Type | Multi-link independent suspension   |
| Rear Suspension Type  | Multi-link independent suspension   |
| Power Steering Type   | Electric power assistance           |
| Vehicle structure     | bearing type                        |

Seat Configuration

|                                                         |                                                                                                                                 |
|---------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Seat Material                                           | ○ Leather (USD 1,618);• Imitation leather                                                                                       |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Leg rest adjustment; • Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Leg rest adjustment; • Lumbar support (4-way) |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                                                 |
| Front seat functions                                    | ○ Heating (USD 441);○ Ventilation (USD 1,441)                                                                                   |
| Electric seat memory function                           | ○ Driving position (USD 441)                                                                                                    |
| Front passenger seat rear adjustable buttons            | •                                                                                                                               |

Seat Configuration (continued)

|                           |                     |
|---------------------------|---------------------|
| Front/rear center armrest | Front •/Rear •      |
| Rear cup holder           | •                   |
| Second row seat functions | ○ Heating (USD 441) |
| Sports style seats        | •                   |

Active safety

|                                              |                         |
|----------------------------------------------|-------------------------|
| Anti-lock Braking System (ABS)               | •                       |
| Electronic Brakeforce Distribution (EBD/CBC) | •                       |
| Brake Assist System (EBA/BAS/BA)             | •                       |
| Traction Control System (ASR/TCS/TRC)        | •                       |
| Electronic Stability Control (ESC/ESP/DSC)   | •                       |
| Tire Pressure Monitoring System (TPMS)       | • Tire pressure display |
| Seat Belt Reminder                           | • Full car              |
| ISOFIX Child Seat Anchors                    | •                       |
| Lane Departure Warning System (LDWS)         | •                       |
| Autonomous Emergency Braking (AEB)           | •                       |
| Driver Fatigue Detection                     | •                       |
| Forward Collision Warning (FCW)              | •                       |
| Emergency Call System (eCall)                | •                       |
| Built-in Dashcam                             | •                       |

Air conditioning/refrigerator

|                                             |                              |
|---------------------------------------------|------------------------------|
| Air conditioning temperature control method | • Automatic air conditioning |
| Rear Independent Climate Control            | -                            |
| Rear seat air vents                         | •                            |
| Temperature zone control                    | •                            |
| Car air purifier                            | •                            |
| In-cabin PM2.5 Filter                       | •                            |

Air conditioning/refrigerator (continued)

|                        |                       |
|------------------------|-----------------------|
| Negative ion generator | <input type="radio"/> |
| Car fragrance device   | <input type="radio"/> |

Passive safety

|                                           |                           |
|-------------------------------------------|---------------------------|
