

# Vehicle Detail Report

## Hyundai Elantra 2021 1.5L CVT LUX Premium Edition

### Basic Information

|                    |            |
|--------------------|------------|
| Brand              | Hyundai    |
| Mileage            | 60,000 km  |
| Color              | Purple     |
| First Registration | 2020-11-01 |
| Transfer Count     | 0          |

### Vehicle Images

Vehicle Condition

1. Right rocker panel, Outer-side deformation. 2. Driver's seat rails and frame, Signs of removal. 3. Front passenger seat rails and frame, Signs of removal.

Configuration Information

Model Information

|             |                                                   |
|-------------|---------------------------------------------------|
| Model Name  | Hyundai Elantra 2021 1.5L CVT LUX Premium Edition |
| Launch Date | 2020.10                                           |

Basic parameters

|                                          |                                        |
|------------------------------------------|----------------------------------------|
| Vehicle Class                            | compact car                            |
| Energy Type                              | Gasoline                               |
| Maximum Power (kW)                       | 84.5                                   |
| Maximum Torque (N·m)                     | 143.9                                  |
| Transmission                             | CVT continuously variable transmission |
| Body Type                                | Sedan                                  |
| Engine                                   | 1.5L 115 horsepower L4                 |
| Dimensions (L×W×H) (mm)                  | 4680*1810*1415                         |
| Official 0-100 km/h Acceleration (s)     | -                                      |
| Top Speed (km/h)                         | 190                                    |
| Curb Weight (kg)                         | 1240                                   |
| Maximum Gross Weight (kg)                | -                                      |
| NEDC Combined Fuel Consumption (L/100km) | 5.4                                    |

engine

|                   |                    |
|-------------------|--------------------|
| Engine Model      | G4FL               |
| Displacement (mL) | 1497               |
| Displacement (L)  | 1.5                |
| Induction Type    | Natural aspiration |

engine (continued)

|                         |                 |
|-------------------------|-----------------|
| Cylinder Arrangement    | L               |
| Number of Cylinders     | 4               |
| Valves per Cylinder     | 4               |
| Valve Train             | DOHC            |
| Maximum Power (PS)      | 115             |
| Max Power Speed (rpm)   | 6300            |
| Max Torque Speed (rpm)  | 4500            |
| Maximum net power (kW)  | 84.5            |
| Fuel Grade              | 92.             |
| Fuel Delivery System    | Multi-point EFI |
| Cylinder Head Material  | Aluminum alloy  |
| Cylinder Block Material | Aluminum alloy  |
| Engine layout           | Horizontal      |

Screen/System

|                                   |                                                                    |
|-----------------------------------|--------------------------------------------------------------------|
| Central control color screen      | • Touch LCD screen                                                 |
| Infotainment Screen Size          | • 10.25 inches                                                     |
| Bluetooth/In-car Phone            | •                                                                  |
| Smartphone Integration/ Mirroring | • Baidu CarLife support                                            |
| Voice recognition control system  | • Multimedia system; • Navigation; • Telephone; • Air conditioning |

Body

|                        |            |
|------------------------|------------|
| Length (mm)            | 4680       |
| Width (mm)             | 1810       |
| Height (mm)            | 1415       |
| Wheelbase (mm)         | 2720       |
| Front Track (mm)       | 1585       |
| Rear Track (mm)        | 1596       |
| Door Opening Type      | swing door |
| Number of Doors        | 4          |
| Number of Seats        | 5          |
| Fuel Tank Capacity (L) | 47         |
| Trunk volume (L)       | 474        |
| Drag Coefficient (Cd)  | -          |

Body (continued)

|                     |    |
|---------------------|----|
| Approach Angle (°)  | 14 |
| Departure Angle (°) | 19 |

Gearbox

|                   |                                          |
|-------------------|------------------------------------------|
| Abbreviation      | CVT continuously variable transmission   |
| Number of Gears   | stepless speed change                    |
| Transmission Type | Continuously Variable Transmission (CVT) |

Chassis steering

|                       |                                         |
|-----------------------|-----------------------------------------|
| Drive Type            | Front-engine, Front-wheel drive (FF)    |
| Front Suspension Type | MacPherson independent suspension       |
| Rear Suspension Type  | Torsion beam non-independent suspension |
| Power Steering Type   | Electric power assistance               |
| Vehicle structure     | bearing type                            |

Seat Configuration

|                                                         |                                                                                 |
|---------------------------------------------------------|---------------------------------------------------------------------------------|
| Seat Material                                           | • Imitation leather                                                             |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (2-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment                              |
| Electric adjustment of driver's seat and passenger seat | Main/Deputy-                                                                    |
| Front seat functions                                    | • Heating                                                                       |
| Front passenger seat rear adjustable buttons            | -                                                                               |
| Front/rear center armrest                               | Front •/Rear-                                                                   |
| Rear cup holder                                         | -                                                                               |

Active safety

|                                              |   |
|----------------------------------------------|---|
| Anti-lock Braking System (ABS)               | • |
| Electronic Brakeforce Distribution (EBD/CBC) | • |
| Brake Assist System (EBA/BAS/BA)             | • |
| Traction Control System (ASR/TCS/TRC)        | • |

Active safety (continued)

|                                            |                                                                     |
