

# Vehicle Detail Report

## Changan CS75 PLUS 2021 1.5T Automatic Luxury Model

### Basic Information

|                    |            |
|--------------------|------------|
| Brand              | Changan    |
| Mileage            | 70,000 km  |
| Color              | White      |
| First Registration | 2021-08-01 |
| Transfer Count     | 0          |

### Vehicle Images

Vehicle Condition

1. Left rear quarter panel, Paint repair, Body panel repair.

Configuration Information

Model Information

|             |                                                   |
|-------------|---------------------------------------------------|
| Model Name  | Changan CS75PLUS 2021 1.5T Automatic Luxury Model |
| Launch Date | 2020.09                                           |

Basic parameters

|                                          |                            |
|------------------------------------------|----------------------------|
| Vehicle Class                            | Compact SUV                |
| Energy Type                              | Gasoline                   |
| Maximum Power (kW)                       | 131                        |
| Maximum Torque (N·m)                     | 265                        |
| Transmission                             | 6-speed manual integration |
| Body Type                                | SUV                        |
| Engine                                   | 1.5T 178 horsepower L4     |
| Dimensions (L×W×H) (mm)                  | 4690*1865*1710             |
| Official 0-100 km/h Acceleration (s)     | -                          |
| Top Speed (km/h)                         | -                          |
| Curb Weight (kg)                         | 1625                       |
| Maximum Gross Weight (kg)                | -                          |
| NEDC Combined Fuel Consumption (L/100km) | 6.7                        |
| Measured 0-100 km/h Acceleration (s)     | 9.82                       |
| Real-world Fuel Consumption (L/100km)    | 9                          |

engine

|                   |           |
|-------------------|-----------|
| Engine Model      | JL476ZQCF |
| Displacement (mL) | 1499      |

engine (continued)

|                         |                  |
|-------------------------|------------------|
| Displacement (L)        | 1.5              |
| Induction Type          | Turbocharging    |
| Cylinder Arrangement    | L                |
| Number of Cylinders     | 4                |
| Valves per Cylinder     | 4                |
| Valve Train             | DOHC             |
| Maximum Power (PS)      | 178              |
| Max Power Speed (rpm)   | 5500             |
| Max Torque Speed (rpm)  | 1450-4500        |
| Maximum net power (kW)  | 123              |
| Fuel Grade              | 92.              |
| Fuel Delivery System    | Direct injection |
| Cylinder Head Material  | Aluminum alloy   |
| Cylinder Block Material | Aluminum alloy   |
| Engine layout           | Horizontal       |

Screen/System

|                                   |                                                                               |
|-----------------------------------|-------------------------------------------------------------------------------|
| Central control color screen      | • Touch LCD screen                                                            |
| Infotainment Screen Size          | • 12.3 inches                                                                 |
| Bluetooth/In-car Phone            | •                                                                             |
| Smartphone Integration/ Mirroring | • OEM smartphone integration/ mirroring                                       |
| Voice recognition control system  | • Multimedia system; • Navigation; • Telephone; • Air conditioning; • Sunroof |

Body

|                                      |            |
|--------------------------------------|------------|
| Length (mm)                          | 4690       |
| Width (mm)                           | 1865       |
| Height (mm)                          | 1710       |
| Wheelbase (mm)                       | 2710       |
| Front Track (mm)                     | 1585       |
| Rear Track (mm)                      | 1585       |
| Ground Clearance (Fully Loaded) (mm) | 170        |
| Door Opening Type                    | swing door |
| Number of Doors                      | 5          |

Body (continued)

|                                            |          |
|--------------------------------------------|----------|
| Number of Seats                            | 5        |
| Fuel Tank Capacity (L)                     | 58       |
| Trunk volume (L)                           | 620-1450 |
| Drag Coefficient (Cd)                      | -        |
| Approach Angle (°)                         | 19       |
| Departure Angle (°)                        | 26       |
| Minimum ground clearance without load (mm) | 190      |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 6-speed manual integration                   |
| Number of Gears   | 6                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

|                       |                                      |
|-----------------------|--------------------------------------|
| Drive Type            | Front-engine, Front-wheel drive (FF) |
| Front Suspension Type | MacPherson independent suspension    |
| Rear Suspension Type  | Multi-link independent suspension    |
| Power Steering Type   | Electric power assistance            |
| Vehicle structure     | bearing type                         |

Seat Configuration

|                                                         |                                                                                 |
|---------------------------------------------------------|---------------------------------------------------------------------------------|
| Seat Material                                           | • Imitation leather                                                             |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (2-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment                              |
| Electric adjustment of driver's seat and passenger seat | Main/Deputy-                                                                    |
| Front passenger seat rear adjustable buttons            | -                                                                               |
| Second row seat adjustment                              | • Backrest adjustment                                                           |
| Rear seat folding                                       | • Proportional down                                                             |
| Front/rear center armrest                               | Front •/Rear •                                                                  |
| Rear cup holder                                         | -                                                                               |

Active safety

Active safety (continued)

|                                              |                         |
|----------------------------------------------|-------------------------|
| Anti-lock Braking System (ABS)               | •                       |
| Electronic Brakeforce Distribution (EBD/CBC) | •                       |
| Brake Assist System (EBA/BAS/BA)             | •                       |
| Traction Control System (ASR/TCS/TRC)        | •                       |
| Electronic Stability Control (ESC/ESP/DSC)   | •                       |
| Tire Pressure Monitoring System (TPMS)       | • Tire pressure display |
| Seat Belt Reminder                           | • Front row             |
| ISOFIX Child Seat Anchors                    | •                       |
| Lane Departure Warning System (LDWS)         | -                       |
| Autonomous Emergency Braking (AEB)           | -                       |
| Driver Fatigue Detection                     | •                       |
| Emergency Call System (eCall)                | •                       |

Air conditioning/refrigerator

|                                             |                              |
|---------------------------------------------|------------------------------|
| Air conditioning temperature control method | • Automatic air conditioning |
| Rear Independent Climate Control            | -                            |
| Rear seat air vents                         | •                            |
| Temperature zone control                    | -                            |
| Car air purifier                            | -                            |
| In-cabin PM2.5 Filter                       | •                            |

Passive safety

|                                           |                 |
|-------------------------------------------|-----------------|
| Driver/passenger airbag                   | Main •/Deputy • |
| Front/rear side airbags                   | Front •/Rear-   |
| Front/rear head airbags (curtain airbags) | Front •/Rear •  |

Wheel brake

|                  |                  |
|------------------|------------------|
| Front Brake Type | Ventilation disc |
| Rear Brake Type  | Disc             |

Wheel brake (continued)

|                    |                    |
|--------------------|--------------------|
| Parking brake type | Electronic Parking |
| Front Tire Size    | 225/60 R18         |
| Rear Tire Size     | 225/60 R18         |
| Spare Tire Size    | Not full-size      |

Audio/Interior Lighting

|                    |              |
|--------------------|--------------|
| Number of speakers | • 6 speakers |
|--------------------|--------------|

Driving functions

|                                        |                  |
|----------------------------------------|------------------|
| Navigation traffic information display | •                |
| Lane assist                            | -                |
| Lane Keeping Assist System             | -                |
| Cruise control system                  | • Cruise control |
| Satellite navigation system            | •                |
| Parking Assist                         | -                |

Exterior lighting

|                              |           |
|------------------------------|-----------|
| Low beam light source        | •LED      |
| High beam light source       | •LED      |
| LED daytime running lights   | •         |
| Adaptive high and low beam   | -         |
| Automatic headlights         | •         |
| Front fog lights             | • Halogen |
| Height-adjustable headlights | •         |
| Headlight Delay Off          | •         |
| Turn signal lamp             | •         |

Exterior mirrors

|                          |                                         |
|--------------------------|-----------------------------------------|
| Exterior mirror function | • Electric adjustment; • Mirror heating |
|--------------------------|-----------------------------------------|

Appearance/anti-theft

|                                   |                  |
|-----------------------------------|------------------|
| Rim material                      | • Aluminum alloy |
| Electronic engine immobilizer     | •                |
| Central locking system in the car | •                |

Appearance/anti-theft (continued)

|                        |                    |
|------------------------|--------------------|
| Key Type               | • Remote key       |
| Keyless start system   | •                  |
| Keyless entry function | • Driving position |
| Roof rack              | •                  |
| Remote start function  | •                  |

Skylight/Glass

|                                   |                                          |
