

# Vehicle Detail Report

## Mercedes-Benz E-Class (Imported) 2023 E 300 Coupe

### Basic Information

|                    |               |
|--------------------|---------------|
| Brand              | Mercedes-Benz |
| Mileage            | 65,000 km     |
| Color              | Dark gray     |
| First Registration | 2023-06-01    |
| Transfer Count     | 0             |

### Vehicle Images

## Vehicle Condition

1. Left rocker panel, Inner-side deformation. 2. Inner side of left C-pillar, Non-accident-related deformation. 3. Driver's seat rails and frame, Signs of removal. 4. Front passenger seat rails and frame, Signs of removal. 5. Right rear quarter panel, Deformation, Body panel repair.

## Configuration Information

| Cylinder Arrangement   | L                |
| Number of Cylinders    | 4                |
| Valves per Cylinder    | 4                |
| Valve Train            | DOHC             |
| Maximum Power (PS)     | 258              |
| Max Power Speed (rpm)  | 6100             |
| Max Torque Speed (rpm) | 1800-4000        |
| Maximum net power (kW) | 190              |
| Fuel Grade             | 95.              |
| Fuel Delivery System   | Direct injection |

engine (continued)

|                         |                |
|-------------------------|----------------|
| Cylinder Head Material  | Aluminum alloy |
| Cylinder Block Material | Aluminum alloy |
| Engine layout           | Longitudinal   |

Screen/System

|                                   |                                                                          |
|-----------------------------------|--------------------------------------------------------------------------|
| Central control color screen      | • Touch LCD screen                                                       |
| Infotainment Screen Size          | • 12.3 inches                                                            |
| Bluetooth/In-car Phone            | •                                                                        |
| Smartphone Integration/ Mirroring | • Apple CarPlay support; • Baidu CarLife support; • Android Auto support |
| Voice recognition control system  | • Multimedia system; • Navigation; • Telephone; • Air conditioning       |
| In-vehicle intelligent system     | •MBUX                                                                    |

Body

|                        |            |
|------------------------|------------|
| Length (mm)            | 4846       |
| Width (mm)             | 1860       |
| Height (mm)            | 1434       |
| Wheelbase (mm)         | 2873       |
| Front Track (mm)       | -          |
| Rear Track (mm)        | -          |
| Door Opening Type      | swing door |
| Number of Doors        | 2          |
| Number of Seats        | 4          |
| Fuel Tank Capacity (L) | 66         |
| Trunk volume (L)       | -          |
| Drag Coefficient (Cd)  | -          |
| Approach Angle (°)     | 13.6       |
| Departure Angle (°)    | 16         |

Gearbox

|                   |                                              |
|-------------------|----------------------------------------------|
| Abbreviation      | 9-gear manual integration                    |
| Number of Gears   | 9                                            |
| Transmission Type | Automatic Transmission with Manual Mode (AT) |

Chassis steering

Chassis steering (continued)

|                       |                                     |
|-----------------------|-------------------------------------|
| Drive Type            | Front-engine, Rear-wheel drive (FR) |
| Front Suspension Type | Multi-link independent suspension   |
| Rear Suspension Type  | Multi-link independent suspension   |
| Power Steering Type   | Electric power assistance           |
| Vehicle structure     | bearing type                        |

Seat Configuration

|                                                         |                                                                                                                                 |
|---------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Seat Material                                           | ○ Genuine leather; • Imitation leather                                                                                          |
| Main seat adjustment                                    | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Leg rest adjustment; • Lumbar support (4-way) |
| Co-seat adjustment method                               | • Front and rear adjustment; • Backrest adjustment; • Height adjustment (4-way);• Leg rest adjustment; • Lumbar support (4-way) |
| Electric adjustment of driver's seat and passenger seat | Main •/Deputy •                                                                                                                 |
| Front seat functions                                    | • Heating Ventilation (9200 yuan) Massage (11800 yuan)                                                                          |
| Electric seat memory function                           | • driving position; • co-pilot position                                                                                         |
| Front passenger seat rear adjustable buttons            | -                                                                                                                               |
| Rear seat folding                                       | • Proportional down                                                                                                             |
| Front/rear center armrest                               | Front •/Rear-                                                                                                                   |
| Rear cup holder                                         | •                                                                                                                               |

Active safety

|                                              |   |
